POSTER SESSION

Biotech Week-end
November 7th to 8th

You're a PhD student?

Register

to the poster session during the *Biotech Day* on November 7th
and **connect with the biotech community!**

1. Show off **your research with style** – create a poster and highlight the great science happening in your lab!
2. Make it count – your poster **will be revealed during the Biotech Day, on November 7th** and put to the vote!
3. **3 posters will be awarded** based on student voting.
